CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

All departments of the college are required to implement the syllabus prescribed by Indra Gandhi University, Rewari. The Timetable committee draws up a detailed time table which efficiently deploys the units of time for academic and co-curricular activities as for example, theory, practical, tutorial, life skill, value education, different cultural events thereby ensuring a balance between the different types of engagement a student is expected to participate in. The syllabus is completed and revised well in time by preparing good and effective lesson plans of entire syllabus and teaching accordingly. It is notified to the students by displaying lesson plans on class room wall. Regular and frequent inspections are made by the officers from the Directorate, Higher Education and the college principal to ensure effective implementation of academic activities. Tutorials, class tests, internal assessments comprise the formal evaluative processes

Annual Quality Assurance Report of GOVERNMENT COLLEGE discussions. The college is well equipped with smart class rooms,

virtual class rooms, audio-visual and other ICT facilities which are extensively used by teachers in day to day teaching to make delivery

of curriculum attractive to students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic Calendar is accordance with directives and norms of the affiliating university IGU, Meerpur Rewari and of the parent Higher Education Department of Government of Haryana and also decided before starting the each session. The semester system is followed in UG and PG programs. The semester exams are held in the month of February-March for odd semester and in July-August for the even semester during the session. There is a prospective planning not only about the schedule for the admissions, academic activities, vacations and examinations but also about important co-curricular and extra-curricular activities to be followed in every session. The continuous Internal Evaluation is assessed at two levels by the

1. Institutional Level
2. University Level

At the institutional level, The Continuous Internal Evaluation is done through Internal Assessment and one class test every semester. In addition to these written assignments, an oral assessment is done through group discussion/debates etc. The CIE at the college level contributed to the 20% of the total evaluation by university. The CIE also is catered with, which includes the Semester End examination, the project viva-voice; this keeps the students constant evaluation. The Practical Exams and final semester exams are held by the college and the external Examiners are appointed by the university.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

We teach students with more focused approach on practical and experiences instead of just have simple book reading studies. This help student to learn and remember thing quickly and for long time.

Almost all subjects have practical lectures, trips to different locations as per the requirement like national/international labs, museums, agro farms, industries, educational institutes etc..where students can observe, learn and measure the things more accurately and practically.

Students are involved in organizing and coordinating various activities which develops leadership skills, team spirit, and skill of critical thinking among the students.

The learning is getting enhanced by use of different digital tools and modules of learning like Digital boards, PPTs, Quizzes, 1:1 interactive sessions, problem solving tutorials etc..

Time to time we organize different workshops, seminars, workshops, study tours, lectures from subject matter experts.

College library has been setup with extensive set of Books, magazines, newspaper, internet facility and soft copies of rare books, study notes and practical videos of different topics made available via CDs and DVDs.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teaching can't be effective until unless teachers and students have regular interactive connects - our college have made this possible with the help of learning management systems. LMS helps us in keeping track of progress report of each and every student. While in parallel to this students are benefitted with anytime learning. Teachers have uploaded their lectures, study notes, books, practical videos, sample question papers, quizzes and many more other study related things.

Though we have already digitalized our more of study to a good extent, but the COVID pandemic in 2020 has changed everything drastically and we have to switch our Physical classroom based studies to e-learning studies, whereby teaching is undertaken remotely and on digital platforms.

Learning modules, eBooks and virtual labs are also made available. Google Classrooms, Google meet, WebEx and Zoom has been widely used e-platforms during Pandemic in the institution to carry out academic activities.

We are assigning projects, conducting quizzes, unit test via Google classroom.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

There is effective representation and continuous engagement of students in different college activities and they are active in the college affairs. They work in tandem with

teachers and other college functionaries in managing different administrative, academic, co-curricular and extra-curricular activities held round the year in the college. The names of such students are displayed on college website for maintaining overall transparency and inspiring other students to come forward and show their leadership skills. Namely Women Cell, NSS, NCC, Legal Literacy Cell, Placement Cell and Subject Societies choose students' representatives in the beginning of session to provide them a leadership role in managing the activities of these cells and to mobilize students for active participation in these activities. They are actively involved in planning, arrangement, conduct and reporting of events organized by these cells. Most of the initiatives and suggestions under the motivating guidance of teacher in-charges come from these students and after the finalization of activity, they plan their finer niceties. Their interest in the conduct of events is really appreciative and they involve other students fully in the organization of events. The volunteers of NSS

and NCC are mainstay of the organization of different events and functions by providing logistic support and by maintaining discipline. Their role in extension activities and social awareness campaign is really remarkable.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college believes in grooming leadership at all levels. The leadership matrix and architecture from top to down comprises of, Principal, Staff Council Committees, and Student Representatives. Teachers and Librarians, as per Statutes and Ordinances of the university, constitute the Staff Council. The principal is the ex-officio Chairman of the Staff Council. All the important committees of the college like Admission, Infrastructure, Student Union Advisory, Workload and Time-table committee, Art and Culture, and many others come under the ambit of the Staff Council. The duly elected Secretary of the Staff Council and its Chairman supervise the functioning of these Committees. Departmental societies and student representatives form the core of the succession. All the Committees are required to give a detailed report of the events organized by them including feedback of students to the Secretary Staff Council and Coordinator IQAC.

Before the start of every session, the Convener, Workload, and Time-table committee writes to the Teachers In-charge to submit the workload of their respective Departments for the upcoming semester.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The premier higher education institution, Government College, Mahendergarh is governed effectively and the college administration, in consultation with faculty, students and other stakeholders, make plans for the up gradation, addition and maintenance of college facilities. In last five years, the main emphasis has been on the major improvement in college infrastructural facilities in tune with the progressive needs of the students. The college administration has achieved commendable success on this key indicator of perspective plan as mentioned below: A separate Science block of eight labs with two Lecturer theatres and toilet facilities has been added in this block. A ramp has been added to make the college building disabled friendly and to ease the congestion on the already existing stairs by providing another entry-exit point. An open gym has been created adjacent to the sports ground for providing ready exercise facility to students and staff. It will facilitate the organization and rehearsal of co-curricular and extra-curricular activities. Many other works for improving college connectivity, daily facility, conducive study environment and the laboratory and ICT infrastructure up gradation have also been done during last five years. Thus, the college administration is constantly making efforts to realize the main indicator of the perspective plan, that is, the improvement in infrastructure. It is pertinent to acknowledge here that the parent Department of Higher Education of Government of Haryana is actively supporting these activities and most of these works got the financial support of RUSA grant.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Since Govt. College Mahendergarh is a IGU, Meerpur(Rewari) Maintained Institution, its Governing Body (GB) is constituted by D H E Haryana, Panchkula. The GB takes all executive decisions related to the institution through its Sub-committees. The principal is assisted by the Bursar and the Section Officer besides a host of support staff. The Staff Council is a statutory body that implements

decisions of the GB related to academic, extra-curricular, and infrastructural activities through its various committees. The secretary, Staff Council is elected from among the teaching faculty. The principal of the college functions as the Chairman of the Council. IQAC is a UGC mandated body to ensure quality improvement in the field of academics, planning, and administration of the institution. The Staff Council committees, in addition to the council, also report to IQAC with regard to their respective activities. The service rules of the principal, teaching, and non-teaching staff are determined by those as laid down by UGC and adopted by IGU, Meerpur from time to time. All procedures related to admissions, recruitment, Leave, promotion, purchase of equipment and other objects, and construction for augmenting infrastructure of the college are followed as per UGC, IGU, Meerpur and the GB guidelines. Recruitment in teaching positions is done by H. P. S. C. The College has a Grievance redressal committee to address the grievances of all. In addition, the college has an Internal Complaints Committee to deal with all cases of sexual harassment.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

The creation of constructive job conditions for the teaching and non teaching staff is the core value adhered to by the college administration. It works with the goal of providing such positive conditions to the staff that they feel self motivated to bring effectiveness and efficiency in college functioning. The college administration takes care of the medical requirements of the staff and their dependent family members and they are provided a monthly allowance for meeting sundry routine medical expenses. They are entitled for reimbursement of medical expenses on the treatment of major illness and they can avail this facility even after their superannuation. The teaching and non teaching staff is entitled to take house and vehicle loan within the permissible limits decided by their designation and salary. The non teaching staff is helped by other monetary measures also such as, wheat loan, marriage loan, festival advance and dress allowance. Every year, the teaching staff is entitled to ten earned leaves which get collected and on superannuation, they can be monetized to the maximum three hundred days. The college administration also ensures healthy and hygienic daily working conditions in the institution. The staff is provided all necessary technical and ICT based facilities for their routine working.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

There is an effective performance appraisal system in the college for teaching & non teaching Staff. The performance appraisal system is annual and is based on the active involvement of the concerned staff members. The Principal is the reporting authority and he comments upon each and every point self-filled by employees. In the case of laboratory staff, the opinion of the concerned teacher-in-charge is significant in assessing of their performance. The reviewing officer, the Director General, Haryana, Higher Education Department is the next channel to endorse and comment upon the performance appraisal report. The performance appraisal report is a comprehensive document related to different activities done throughout the year by the employee. For teaching staff members, it is concerned with the assessment of their teaching performance through the result of their respectively allotted students, their research activities, their role in college administration, their student friendliness, their role in co-curricular and extra-curricular activities, their behaviour towards other staff members, their role towards society and their significant contribution vis-à-vis institution, students and other stakeholders. This is more in the nature of friendly consultation to remove the irritants in daily functioning and to ensure the qualitative educational environment. Thus, it is clear that there is a vibrant, effective, transparent, digitalized and supportive performance appraisal system in the college and it is helpful in ensuring better functioning of different activities in the institution.

There are different sources of fund mobilization and the college strictly follows governmental norms in resource mobilization. The government's grants are the major source of financial resources. These are sanctioned for different purposes by the parent Department of Haryana such as the salary of the staff, the conduct of various co-curricular/extra curricular activities the up gradation of infrastructural and laboratory facilities, the purchase of library books, the maintenance and enhancement of ICT facilities, the addition of new infrastructure and other related activities. In addition to this, the college receives fees and funds from students and these funds are used for earmarked activities related to students' teaching-learning, co-curricular/ extra-curricular and other activities. Different works for students' welfare and improvement of college facilities are accomplished through the amount received in this manner. UGC also allot many grants for certain required activities and infrastructural up-gradation. In addition to the above mentioned regular sources of resources, the college got financial aids from the local M.P. and M.L.A. The institution also got financial aids from the local Municipal Corporation for betterment of drinking water facilities and water arrangement in campus.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The College Internal Quality Assurance Cell (IQAC) is working in close association with college administration, faculty, non teaching staff and other stakeholders to maintain high quality standards of education in the institution. There is a regular emphasis in the IQAC suggestions on the need of the continuous infrastructural improvement and up- gradation to meet the growing needs of students. The college building constructed in 1966 needs major overhauling. For providing enhanced facilities of laboratories, new courses and accessibility, there is dire need of addition of rooms and other infrastructural facilities. The IQAC is trying hard to create a perennial link with the student fraternity for creating in them a deep sense of belongingness, mobilizing funds for improving college facilities. The IQAC suggested the channelization of the activities of Alumni Association registered in 2017 and the regularity of its meetings. Because of the efforts of college administration, Alumni Association Executive, a few fervent alumni and college teaching staff.

The Alumni Association has decided to make Alumni Meet an annual feature and it will be held every year on the 2nd saturday of feb. This is another achievement of IQAC in institutionalizing a mechanism to connect the present students with their predecessors.

7.3.2 - Plan of action for the next academic year

The IQAC of the college is working in close association with the college administration, faculty and non-teaching staff to achieve new qualitative benchmarks in college functioning. On the basis of the feedback from students, teachers, parents, alumni and other stakeholders and the continuous observation on the part of IQAC, the below given suggestions for the session 2021-22 are hereby put forward for improving college infrastructure and other activities related to teaching-learning process and co-curricular and extra curricular fields :-

The college should continue with all good traditions of the institution in teaching-learning, co-curricular and extracurricular activities and extension and research initiatives.

The college should optimize the use of college resources and infrastructural facilities and manage its internal affairs efficiently.

24x7 surveillance will be ensured with enhanced CCTV camera availability.

The Alumni Association should be motivated to contribute in the college activities by giving more finance and sagacious advice.

The college administration should maintain cleanliness and hygienic conditions in the class rooms and college campus.

There should be lab upgradation in accordance with the present requirements.
